## ABOUT THE KLE SOCIETY

A byword in India's Educational spectrum, KLE's success story of more than ten decades speaks volumes of the dedication and commitment of thousands of people.

With more than 310 institutions spread across Karnataka, Maharashtra and Goa, each narrating their own amazing stories of enriching people's lives, a harmony exists that is very palpable. Our alumni, settled in different parts of the world are a testimony to our achievements and endeavors and are ambassadors promoting the 'Brand KLE' throughout the world. Unmindful of the constraints, KLE ensures that every individual with a desire to learn, irrespective of which strata he/she belongs to in the society has access to infrastructure of international standards. Our well equipped hostels with modern facilities enable every student to enrich himself physically and mentally as well. To ensure that every student is keeping up with the latest developments in technology and the world, all the campuses house internet and IT facilities.

Our qualified teachers who are committed and dedicated to their professions strive to make learning a fascinating journey and experience for all. The collaborations with universities in the US, UK, Zambia, and Malaysia have added a whole new dimension to the KLE Society making it on par with reputed educational institutions worldwide. The legacy of selfless-service and sacrifice left behind by the founding fathers is pursued sincerely by the Management to this day. Under the unparalleled leadership of Dr. Prabhakar Kore, the KLE Institutions have reached enviable heights. His spectacular chairmanship beyond 40 years, with the active support of his team of elected members, embodies the collective efforts of everyone in KLE, including 13,000 members of the trust, 1,38,000 students, and 18,000 strong faculty, in making KLE an International Education Destination.

## ABOUT THE INSTITUTE

KLE College of Engineering and Technology, Chikodi has been established in the year 2008 and Accredited by NBA in the year 2024 with the sole objective of imparting quality technical education for rural youth. The College is located in the Taluka head-quarters of Chikodi of Belagavi District, about 70 km from Belagavi and 60 km from Kolhapur. The campus has a sprawling area of 18 acres at the foot of hillocks on the outskirts of the city. The city of Chikodi has a strong educational base and enjoys salubrious climate throughout the year. The Institute is a self-financed non-minority college approved by AICTE, New Delhi and recognized by Government of Karnataka. It is affiliated to Visvesvaraya Technological University, Belagavi, the State Technical University of Karnataka. The Institute has State-of-the-Art infrastructure and most modern facilities. Institute renders Engineering Education in five undergraduate level programs, two postgraduate level programs and research centers. Institute is recognized as model rural Engineering College by Visvesvaraya Technological University, Belagavi.
