(Chairman) KLE Society Belgaum

Dr. Prabhakar. B. Kore

Chairman, KLE Society Belagavi

A RARE VISIONARY EFFORT

Ever since its inception in 1916, KLE Society has persistently strived to positively transform the educational landscape of Karnataka and adjoining Maharashtra. The society presently has 310 institutions under its ambit that impart world class education from kindergarten to postdoctoral levels, spaning across Engineering, Health Sciences, Agriculture, Law, Management and Collegiate Education and more.

It has now emerged as a key player with a globally acknowledged contribution in health care and education with a commendable workforce of more than 18,000 employees and a mammoth student population in excess of 1,38,000.

A new chapter unveiled in the history of KLE Society with the carving out of KLE University that is efficiently carrying the mantle of providing internationally accepted education and healthcare practices. The KLE University is recognized by the University Grants Commission (UGC) and is Accredited and Graded "A+" by NAAC.

These giant strides of success are a testimony of the energetic states manship of its Chairman and Hon. Chancellor Dr. Prabhakar Kore whose far sightedness has kept the society always a step ahead in the era of global competition, aptly supported by every single member of the KLE family thus truly empowering its professionals and transforming the lives of its students.

KLE College of Engg. &Technology, Chikodi

PRAXIS 2K24

VISION

To be an Institute for transformation of young minds into globally competent engineering professionals with a social responsibility for a better tomorrow.

MISSION

1. Adopt innovative teaching & learning practices which promote proactive leadership.
2. Excel in academic and research endeavors by incubating a sense of life-long learning.
3. Enable students to gain interdisciplinary knowledge and work independently as well as in terms to meet global challenges in the field of engineering.
4. Encourage mutually beneficial partnerships with Alumni, Industry and Institutes.
5. Equip students with employable and entrepreneurship skills along with a sense of social responsibility.

PAPER PRESENTATION

Our Computer Science paper presentation event has been an exceptional triumph, acting as a nexus for a myriad of ideas, viewpoints, and specialized knowledge. The culmination of this event has not only been a platform for presenting groundbreaking research discoveries but also a testament to the inventive essence and forthcoming direction of computer science. It underscores the importance of excellence and innovation in advancing educational practices and shaping the future landscape of technological advancements.

Total Number of Participants: 44
Event Coordinator: Prof. Mahantesh Laddi & Prof. Navin Mathad
Judges: Prof. Shrikant Athanikar & Prof. Mahantesh Laddi,
Prize Winners: 1st Kapil R & Manakumar J from KLE TECH, Hubballi.
2nd Keerti R & Rajeshree B from KLE TECH, Hubballi.
3rd Sooraj U from KLE TECH, Hubballi.
